

American Revolution Final Assessment

Directions:

Write a letter to Mr. Hadd to share what you learned in the unit. Rather than listing everything you learned pick a few of the main ideas that have stayed with you as a result of our studies. Elaborate on these ideas and provide some detail to demonstrate depth of understanding. Connect those ideas to an overarching concept, such as “liberty” or a quote such as “you can’t conquer an idea with an army.”

Please consider the following resources when organizing your ideas for this assignment:

American Nation Textbook
Revolutionary War Book
Revolutionary People Inquiry
Declaration of Independence
Liberty (video)
Kids Discover magazines

Please also provide Mr. Hadd feedback on the unit and the activities included.
