Evaluation:

Understanding of essential question – examples, elaboration, detail.

Product - planning, proofreading, completeness, and overall quality.

Sharing - prepared to present and provide feedback on work.

Use of Time - work habits and time on task

Themes to Consider: Ending French Power in North America, English gaining vast territory in North America, Denial of a powerful ally for the native people, Exercise of unreasonable power by the English Government.

Don't forget George Washington, he connects all the themes!
